

## Class B Airspace Change at KPHL (EAA Chapter 240 Seminar)

Effective July 25, 2013 the Class B Airspace surrounding KPHL changed. This very important program will provide information on the changes to the airspace and answers as to how these changes could impact certain flight operations. Our special guest, a PHL Tower Quality Control Specialist will be conducting this presentation. This seminar is a must for local area pilots, for your safety and to prevent an inadvertent airspace deviation which could result in a violation. This seminar is open to EAA Chapter 240 members and their guests only.

**Directions:** Please see map link for directions, seminar will be held in EAA Chapter 240 Hangar.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
